Italian Baja World Cup

**29th EDITION
07-10 LUGLIO 2022**

WELCOME MESSAGE OF THE EVENT DIRECTOR

I would like to take this opportunity to extend a warm welcome to all of our competitors, officials and members of the media at the 29th ITALIAN BAJA 2022.

We are delighted to be able to host the third round of the FIA WORLD CUP FOR CROSS COUNTRY BAJAS and the fourth round of the FIA EUROPEAN CUP FOR CROSS COUNTRY BAJAS.

The Off-Road Club 4x4 Pordenone has considerable experience and passion in organizing international motorsport events. We are confident that ITALIAN BAJA 2022 will offer a challenging course for competitors and will make it possible to introduce a race that is reflected in the transparent waters of Meduna, Tagliamento and Cosa that flow on wide and gravelly pebbles.

The Off-Road Club 4x4 Pordenone works tirelessly to encourage all enthusiasts to take positive action to safeguard the environment and the future of our planet as well as the health and safety of all present. "Our team looks forward to welcoming you to Italy"

*Sincerely Yours,
Mauro Tavella
Event director*

WELCOME FROM PRESS OFFICE

The Italian Baja press office is pleased to present the Media Guide 2022. Here you will find a wealth of information on the organization of the race and its development, with the hope that it will be a useful tool for the largest audience of interested parties in the Italian stage of the Fia Cross Country Bajas World Cup. What you cannot read here is the emotion that accompanies the arrival of Italian Baja in all those involved, from the "boss" Mauro Tavella, from his closest collaborators to the many volunteers who make up the extended team of the 4x4 Club 4x4 Pordenone, with a particular synergy between the communication staff to enhance the quality of the event, awaited by a multitude of enthusiasts. MEDIA OPERATORS are reminded that all accreditation requests - on paper from the newspaper represented and / or the agency - must be sent at least one week before the start of the competition. This means that requests must be sent to press@italianbaja.com by Friday 1 July, to allow verification of the requirements and the necessary communication of confirmation / refusal of accreditation in time to avoid unpleasant misunderstandings. Knowing full well that mutual collaboration will allow each of us to achieve the best possible results, you are invited to transmit from now on (and especially in the post-race) copies of published articles / broadcast video services that have relevance to Italian Baja, in order to to "strengthen" our press review of the event, but also to amplify your contribution with a reference on the social channels of Italian Baja. Good work

Turistic itineraries

Friuli, an often underestimated region, actually offers endless opportunities to have fun and discover enchanting places. One of the most fascinating sides is certainly the historical and cultural one, but the food and wine part should not be underestimated. It is mandatory to wear seat belts in both the front and rear seats

The Friuli Venezia Giulia region boasts truly special food and wine itineraries.

It is mandatory to have all the driver's and vehicle's documents on board the vehicle

This is a region of a thousand flavors, where the different landscapes and environmental differences are also reflected in the culinary recipes. It is worth mentioning the mountain dishes of Carnia, those typical of Trieste and Gorizia, which offer a mix of Balkan and Mediterranean specialties, up to the Friulian cuisine, which is distinguished by the traditional charcuterie. Friuli also boasts a rich wine tradition both for the reds, typical of the Grave area, and for the whites of Venezia-Giulia. Among these the famous Friulano (Tocai).

These and not only are the reasons why the Friulian territory is increasingly becoming an indispensable destination for fans of the sector.
