Italian Baja World Cup

**30th EDITION
6-9 JULY 2023**

WELCOME MESSAGE OF THE EVENT DIRECTOR

We would like to take this opportunity to extend a warm welcome to all our competitors, guests, officials and members at the 30th Italian Baja 2023. We are delighted to host the third round of the FIA WORLD CUP FOR CROSS COUNTRY BAJAS and proud to celebrate the 30th Anniversary of the Competition, made of a big history, an adrenaline present and a future to be lived. The Fuoristrada Club 4x4 Pordenone has considerable experience and passion organizing international motorsport events. We are confident that Italian Baja 2023 will offer a challenging track for competitors and will make it possible to introduce a race that is reflected in the clear waters of Meduna, Tagliamento and Cosa rivers that flow on wide and gravelly pebbles. The Fuoristrada Club 4x4 Pordenone works tirelessly for the realization of an emotional and functional Event and to encourage all enthusiasts to take positive action to safeguard the environment and the future of our planet as well as the health and safety of all present. Our Team can't wait to welcome you in Italy in July.

Sincerely Yours,
Mauro Tavella
Event Director

WELCOME FROM PRESS OFFICE

The Italian Baja press office is pleased to present the Media Guide 2022. Here you will find a wealth of information on the organization of the race and its development, with the hope that it will be a useful tool for the largest audience of interested parties in the Italian stage of the Fia Cross Country Bajas World Cup. What you cannot read here is the emotion that accompanies the arrival of Italian Baja in all those involved, from the "boss" Mauro Tavella, from his closest collaborators to the many volunteers who make up the extended team of the 4x4 Club 4x4 Pordenone, with a particular synergy between the communication staff to enhance the quality of the event, awaited by a multitude of enthusiasts. MEDIA OPERATORS are reminded that all accreditation requests - on paper from the newspaper represented and / or the agency - must be sent at least one week before the start of the competition. This means that requests must be sent to press@italianbaja.com by Friday 1 July, to allow verification of the requirements and the necessary communication of confirmation / refusal of accreditation in time to avoid unpleasant misunderstandings. Knowing full well that mutual collaboration will allow each of us to achieve the best possible results, you are invited to transmit from now on (and especially in the post-race) copies of published articles / broadcast video services that have relevance to Italian Baja, in order to to "strengthen" our press review of the event, but also to amplify your contribution with a reference on the social channels of Italian Baja.

Instructions

The media play an important role within the FIA World Cup and the Italian ACI Sport Championship and each representative of the category must be allowed to work in the best possible conditions. Nonetheless, the media MUST comply with safety regulations.

Each Media Representative or Group of Media Representatives will be given:.

a) MEDIA PLATE - car plate to be compulsorily applied to the car in a clearly visible position

b) MEDIA PERSONAL PASS - to be worn compulsorily in each phase of the race in a clearly visible position

c) MEDIA TABARD - harness to wear whenever the media function is exercised

The control of identification tools will be systematic by the Organizer or its representatives, maximum collaboration is required to speed up these procedures and to respect the prohibition of access to areas offlimits to the Media.

Accesses only GREEN TABARD

Traffic Laws

Traffic rules in force in Italy:

- Urban centers: limit 50km / h
- Extra-urban roads: limit 90Km / h
- Highway: limit 130Km / h
- Exceptions are indicated by means of road signs
- In Italy it is forbidden to drive with an alcohol content higher than 0.5 grams per liter (g./l)
- It is mandatory to wear seat belts in both the front and rear seats
- It is mandatory to have all the driver's and vehicle's documents on board the vehicle
- On extra-urban roads it is mandatory to keep the car lights on at any time of day or night. Mopeds must have their lights always on
- Drivers and passengers of mopeds must always wear a helmet

Turistic itineraries

Friuli, an often underestimated region, actually offers endless opportunities to have fun and discover enchanting places. One of the most fascinating sides is certainly the historical and cultural one, but the food and wine part should not be underestimated. It is mandatory to wear seat belts in both the front and rear seats

The Friuli Venezia Giulia region boasts truly special food and wine itineraries. It is mandatory to have all the driver's and vehicle's documents on board the vehicle

This is a region of a thousand flavors, where the different landscapes and environmental differences are also reflected in the culinary recipes. It is worth mentioning the mountain dishes of Carnia, those typical of Trieste and Gorizia, which offer a mix of Balkan and Mediterranean specialties, up to the Friulian cuisine, which is distinguished by the traditional charcuterie. Friuli also boasts a rich wine tradition both for the reds, typical of the Grave area, and for the whites of Venezia-Giulia. Among these the famous Friulano (Tocai).

These and not only are the reasons why the Friulian territory is increasingly becoming an indispensable destination for fans of the sector. Traffic rules in force in Italy same (driving license, insurance, registration certificate) Choose the itinerary that suits you on:
